GENERAL

This year we are having a ball competition. Trophy winners will be excluded. As per previous years players may win only one daily trophy with exception of the Murray Valley Championship 72 holes and 54 holes events. The maximum handicap for men is 36 and for women 45 in all events.

PRACTICE

All competitors in Championship Events are advised that under the rules of golf they are not permitted to **play practice rounds** on courses yet to be played once the event has begun. Competition rounds are exempt from this rule.

NTPs

The Golf Week Committee will once again provide bottles of wine as nearest the pin prizes on determined par 3 holes at the host clubs.

TROPHIES

Where fields of less than 50 players compete in the daily rounds of the Championships only Handicap winners and Runners Up Trophies will be presented.

Trophies for all events will be presented at the conclusion of play. Uncollected trophies will be held by the Golf Week Committee for 1 month. Winners and Runners Up need to make arrangement for collection.
